● Physiotherapist Designed

● Teacher Tested

● Quality Made in UK

LOCKABLE CASTORS

Jolly Back Chair

Innovative, low, mobile chair with height adjustable back rest and cushioned wedged seat support. Promotes natural upright posture and reduces awkward bending, twisting and kneeling - all hazardous daily activities of working in early years and primary! Physiotherapist designed.

Large and Medium height chairs are fitted with quality lockable castors for easy, smooth movement when sitting or standing.

Compact for use in limited spaces, features a comfy cushioned seat and tall backrest handle for safe moving - no more hazardous lifting chairs over children's' heads. Teachers can remain seated at child height to engage learners and children don't overstrain their necks by looking too high up (which often happens when teacher's use standard adult height furniture during floor/circle time).

Our Small chair is fitted with non-scratching glides to give posture and health benefits of the wedge seat and adjustable back rest, without the wheels.

Can be used at KS1 and KS2 tables. Weight tested to 110kg/17.3 stone. Warranty 3 years. 3 heights available.

Adult User Height	Pupil Age Range (user mostly working with)

Portable Posture Roll

Handy back-saving cushion. Designed to fit snugly in the lower back. Offers lumbar support to improve back and neck posture.

Good spinal alignment lets back muscles relax. Posture rolls have been clinically proven to reduce back and associated neck pain.

Can be used to improve posture and comfort when using soft seating in the staff room, on hard classroom chairs and some office chairs. As an added benefit, can make driving and home working more comfortable.

A very versatile cushion to help look after staff!

Long Bean Roll

800mm Length x 100mm Dia.

Versatile and effective roll to support spine health and physical development.

Can be used as a back relief for adults, a floor balance beam for children, part of an obstacle course, a quick area divider or a tummy time prop for infants!

Indoor and out use.

Ultimate Teachers Trolley

Designed with ergonomics and stationery in mind!

With compartments and pockets, the opportunities for self-organisation and time-saving storage are limitless!

Height adjustable retractable handle, stable and durable. Easily move books, pens, cables and all you need between work and home and between rooms at work - all whilst limiting lifting and looking after your back.

NB. If lifting in/out of your car - place heavy books in separate bags to limit a single awkward lift.

H320mm x W350mm x D320mm

Ultimate Teachers Trolley	
JB0027	£119.00

Sit Stand Buddy

H300mm x W540mm x D400mm

A multifunctional and innovative low stool (with removable seat wedge cushion) which also doubles up as a standing desktop!

Sit comfortably at child height on the stool, be supported sitting on the floor and also work upright in standing. A truly versatile piece of "posture-supporting" furniture.

Can be used indoors and out. Non-Slip cushion base.

Sit Stand Buddy	
JB0023	£119.00

Choice of fabric colours

Low Floor Table

H300mm x W540mm x D400mm

Ergonomically designed low table with built in writing slope to aid good posture. Ideally suited to working at floor level indoors and out. Can be used by adults and children and fits over most laps. Suitable for use in staffrooms as a handy writing space and mini desk when using soft seating (such as a sofa).

Low Floor Table	
JB0022	£89.00

Ergo+ Petite Office Chair

The ultimate small office chair, compact ergonomic design with lockable castors for use in classrooms, staffrooms and offices. Fitted with a seat tilt to enable movement and correct hip and spine alignment. Inflatable lumbar support to give individual back comfort, right where it is needed. Complies with HSE's "Seating at Work" Guidance and helps employers meet Health and Safety (Display Screen Equipment) Regulations. Suitable for users approx 5'4" and under as their main office/desk chair and for taller users who require a height adjustable, small swivel chair for occasional use.

Weight tested 150kg/23 stone. Warranty 5 years.

Welcome to our first Jolly Back catalogue

We've been supporting teachers, primary schools and early years providers since launching the award-winning Jolly Back chair in 2010. We've now teamed up with Willowbrook Education to offer an exciting range of new innovative Jolly Back products, which we're proud to share.

The entire range is physiotherapist designed to improve posture and musculoskeletal wellbeing for educators and children. All products help make working and learning healthier, more comfortable, productive and fun!

Please share this catalogue or our details with a colleague, school governor or anyone else who you think would benefit.

We appreciate your support as we support you.

Kindest regards,

Lorna Taylor

Physiotherapist and Founder, Jolly Back

Customer Care Commitments

We are committed to making every experience with us a jolly one! Our friendly customer services team are here to help you with any enquiries from ordering and beyond.

All products are made to order and safely delivered within 2-3 weeks.

Free Resources and Advice

Musculoskeletal health and wellbeing are at the heart of all we do. We love sharing practical tips and ideas to support you in your work and children with their learning and development.

See our social channels or "Resources" hub online for expert advice:
